## Death of Mrs. Elinora Donovan.

Mrs. Elinora Donovan, 86, widow of John Donovan, died Wednesday morning, Oct. 25, after an illness extending over five months, in which she suffered great suffering. The immediate cause of her death was an external cancer, coupled with the infirmities incident to old age. Mrs. Donovan was born in Ireland, but came to America when 15 years of age and had lived in Hinsdale 42 years. She was the mother of two daughters, Margaret, who became Mrs. L. W. Crowley and who died Oct. 2, 1900, and Mary Ann, who married John Mahoney and who died a week previous to her mother's death. Mrs. Donovan died in February, 1908. The week previous to her death they celebrated the 50th anniversary of their marriage.

Two grandchildren survive. Mrs. Mae Crowley, who married Mr. J. W. Crowley, mother in her last illness, tenderly caring for her and doing everything possible for her comfort, and L. William Crowley, a dentist, in Hinsdale, Vt. Funeral services were held in St. Joseph's Roman Catholic church Thursday at 9 a. m. The body was taken to Keene for burial in the family lot.

Death of Mrs. Elizabeth W. Markey. Mrs. Elizabeth W. Markey, 72, died Thursday evening, Oct. 25, after a five months' illness with a complication of ailments and a general breaking down. Mrs. Markey was a native of Brooklyn, and her youth and married life was spent in that city. She came to Hinsdale to live immediately after the death of her husband 30 years ago. Mrs. Markey had two children, Mrs. G. E. Robertson, who died 14 years ago, and Mrs. C. E. Cramer, who died 17 years ago. Mrs. Cramer, the youngest daughter, left two children, a son only a few days old and a daughter scarcely more than an infant.

For several years Mrs. Markey kept house for Mr. Cramer, caring for the little ones as if they were her own, and after the little boy was born, she continued to care for the daughter up to her last illness. There are three other grandchildren, G. E. Robertson, of Washington, D. C.; Mrs. Nat Butler, who is in Europe, and Mrs. William E. Gould of Everett, Mass. Mrs. Butler was with her grandmother in the early part of her illness, and Mrs. Gould showed the greatest kindness and care. Mrs. Markey was a devoted member of the Calvary Methodist church, where she will be greatly missed. She was also a member of the W. C. T. U. and the local branch of the Golden Cross.

The funeral was held in the home Saturday afternoon at 2 p. m. Interment followed. The burial took place in the Grove cemetery. Beautiful flowers from relatives and friends attended the funeral, in which she was held. Among the out-of-town guests who attended the funeral were Edward Jewhurst of Brooklyn, William Hicks of Rockville Centre, L. I., George E. Robertson of Washington, and Lester Cramer of Claremont.

The city nine days after he was released on a parole from the federal penitentiary in Leavenworth, Kansas, where he served a year and nine months of a sentence of five years after being convicted of misappropriating funds of three banks of which he was the head. Walsh at one time possessed a fortune of \$15,000,000. This building is the outgrowth of the work of Miss Sara Pyle, a former seminary student and a frequent summer visitor. She began this work in a small room several years ago and her untiring energy and resourceful work has brought about the fine building which will be of inestimable value to the city.

Asa Merrill's girl, elder and saw mills were burned in Hartland Tuesday, the cause being a heated box in the water-wheel pit. The fire started at 10:30 a. m. and the buildings were completely destroyed. The loss is about \$10,000.

## DE LAVAL CREAM SEPARATOR

IS THERE ANY DOUBT IN YOUR MIND as to which cream separator will give you the most satisfactory service and be the most economical for you to buy?

Here is a proposition that should interest you. Write me to bring a DE LAVAL out to your house and set it up for you. Try out any other separator you wish and side it. Give them both a fair, honest trial. Then buy the machine that

Skims the cleanest, turns the easiest; is best constructed, is easiest to wash. If there is any doubt in your mind when you make this test as to the comparative skimming of the two machines, take a sample of skim milk from each separator and send it to your state experiment station. They will tell you which sample contains the most butter fat. Thousands and thousands of DE LAVAL separators—20 times a year on just such tests.

We don't hesitate to ask you to make such a test because we know the DE LAVAL was skim cleaner and give you better service than any machine on the market. That's why we are perfectly willing to let you try it out alongside of a "would-be" competing machine. We'll guarantee to have you make such a test should mean more to you than volumes of printed claims.

Give your cows a square deal. Be fair to yourself. If there is only one farm machine that should be of the best possible construction it is the cream separator. It is used oftener than any piece of farm machinery—20 times a year—and the very best machine you can buy will be far the cheapest in the end. You have always heard the DE LAVAL spoken of as a high grade machine. All DE LAVAL users are "DE LAVAL" "boosters," because it always "makes good."

85 per cent of the world's creameries use DE LAVAL CREAM SEPARATORS. We take old and inferior separators in trade and give plenty of time to pay, should you buy. Catalogues and all information free.
